Our mission

Disseminate Ukrainian culture within the Canadian community

Utilizing art as a medium, in our **three events**, we aim to spark broader awareness and appreciation for the rich historical and cultural distinctiveness that defines the **essence of Ukraine**. We hope to both show the Canadian-Ukrainian diaspora some new cultural developments that they may not have been aware of.

Fundraising

The war resulted in substantial displacement and loss of life. By fundraising throughout this project, we aim to provide **financial and material assistance to safeguard Ukraine** and its culture against ongoing Russian aggression.
